

LEARN. ANALYZE. SIMULATE. COMPETE.

The Wolves of *Wall Street* Competition.

12 Weeks

DURATION

Grades 8-12

ELIGIBILITY

\$1,000
PRIZE POOL

The world's **premier global stock market simulation** and investment thesis challenge for the youth. **Twelve weeks, real-market trading, weekly mentorship with Harvard student advisors.**

WHY COMPETE?

Twelve weeks. One *portfolio* defended.

An investment competition challenging students to develop an intelligent portfolio strategy, trade strategically, and rise to the top of the global leaderboard.

Enter solo or get placed on a global team of 3-4.

Six teaching sessions and three direct mentoring office hours with Harvard advisors.

01

Construct & Trade

Build a real-world portfolio inside the MarketWatch Live Simulator. Trade equities using real-time market metrics with zero financial risk.

02

Formulate Stock Pitch

Analyze your trading choices, dissect company valuations (P/E ratios, balance sheets), and compile a professional stock investment thesis.

03

Defend to Jury Panel

The top 10 finalists qualify to present their investment thesis live to a panel of expert judges for a share of the \$1,000 global prize pool.
